Resources Authority Warrant

FROM: _____
TO: _____

Pursuant to applicable NASA regulations and instructions, the resources authority specified herein is hereby delegated to the addressee, subject to availability of allotted funds; and its use is limited to projects and activities authorized by a Project Approval Document, subject to any stipulations and limitations specified on the PAD and/or in the "Remarks" below. Program plan amounts, when entered, are for planning guidance only to indicate the program level contemplated in the total agency plan for projects and activities; and as such do not convey resources authority.
